The remainder of the 1st book containing Baptisms by Mr. Dennis ~~Seeming~~ to april 5, 1752. + probably dismissed to 1764 — the rest of his pastorate is lost.

The preceding copy is word for word, and line for line of the original.

During the time of service of some Ministers there were occasional blanks, and probably some entries were omitted at the time, and not afterwards written in.

Copied & compared with the original in possession of Miriam Hall, Dennis, by

Samuel P. May.
